Administrative expenses : 1 000 € Tax-Exclusive

⁽¹⁾ These fees are invoices per party and remain the property of the center, whether or not arbitration proceedings are initiated.

⁽²⁾ In the event of a settled arbitration during the course of the proceedings, CMAP reserves the right to retain a percentage of the advances paid by the parties.

⁽³⁾ For non-financial claims: an estimate will be proposed by the arbitrator(s) once the arbitral tribunal has been constituted. If the parties agree, the CMAP General Secretary will call for an additional advance. In case of disagreement by the parties, it will be up to the Commission, to decide whether to settle and/or to fix the amount of the additional advance on non-financial claims. This decision cannot be appealed.
